Facility:

To tag an indicated conflict as CONFIRMED\_OK, do the following:

1. Do a LeftClick on a RED (or pink) day cell that shows a conflict.
2. In the Sneak Peek window, look at all items to see if the shared use is OK (and is not really a conflict that needs fixing).
3. De-select any entries that are NOT "share-OK".
4. Click on the "Mark Conflict as Confirmed\_OK / Not\_OK" button.
